**Thursday, September 2, 2021;** We leave Mackinac Island on the 10:30 AM ferry to St. Ignace where we will pick up our cars and head back to Traverse City. We recommend traveling by way of the Tunnel of Trees, a treasured landmark in Michigan that enjoys Global recognition. Lunch at your leisure, we suggest Legs Inn in Cross Village located near the beginning of the Tunnel of Trees, or stop in Petoskey which has many fine restaurants and shopping.

We have planned a group dinner at the West Bay Beach Resort. Those of you who traveled with us on the Tour in 2019 will remember that we were the recipients of outstanding hospitality from our Host Hotel owner, Charles Mallory, a CCCA and Museum member. We are eager to see what he has for us this year.

### **Friday, September 3, 2021;**

Today is a special bonus day for anyone wishing to extend their vacation a little longer. We have secured arranged a sailing of the Grand Traverse Bay on a private double gaff-rigged schooner, which only holds a maximum of 18; or the Nauti-cat catamaran, which holds 49 passengers; or you may simply take some time to tour the fabulous wineries on the Leelanau Peninsula, or enjoy the wonders of Traverse City, Michigan's premier tourist location. *Our* Hosts at the West Bay Beach hotel have a number of exciting ways to spend this Bonus Day

We can't wait to see you, but availability is limited, so please  
reserve EARLY!!!!
